

1 Phone ringing
2 Radio on
3 RICK ROBERTSON (ROBERTSON): Hello.
4 D'ANGELO LEE (LEE): RICKY.
5 ROBERTSON: Hold on for a second, doc.
6 A long pause
7 ROBERTSON: Hello.
8 LEE: Hey, what's up?
9 ROBERTSON: What's going on, doc?
10 LEE: What part of the world are you in?
11 ROBERTSON: I'm, ahh, downtown, man.
12 LEE: You at the office?
13 ROBERTSON: Nah, nah. I'm at the office, around the
14 corner from southside...at the lot.
15 LEE: (UI). Why are you over somebody else's office, you
16 ain't never at your office.
17 ROBERTSON: Nah, I'm, I'm at, I gotta, that's what I mean,
18 our, our place is right around the corner.
19 LEE: Say that again.
20 ROBERTSON: The lot is right around the corner.
21 LEE: Where? Whose lot? Your lot?
22 ROBERTSON: Yeah.
23 LEE: (UI) lot or what, what? What'd you say?
24 ROBERTSON: On Griffin.
25

1 LEE: Whose lot is that?

2 ROBERTSON: It's our lot. It's my lot. But, you

3 know? I just don't hardly, don't never be here.

4 LEE: Now that, that, that's what you said (UI).

5 ROBERTSON: This is a physical deal. You have a

6 physical address for my, my, to my car lot.

7 LEE: Okay, I didn't know anything about that.

8 ROBERTSON: Yeah man. Yeah we got a lot over here.

9 there's cars (UI)...

10 LEE: That's not, that's not important for me to know

11 that so don't even mention it.

12 ROBERTSON: Yeah, yeah, yeah, we're going on ahh,

13 Brother Low. (Laughing) (Laughter)

14 ROBERTSON: Such is the deal. What you got for

15 me, man? You got a check for me, man?

16 LEE: Yeah. You wanta go get some chips.

17 ROBERTSON: Yeah, (UI)...

18 LEE: I think I'm just going to (UI) this car off, I'm

19 gonna give, I'm gonna

20 give you 10,000, today.

21 ROBERTSON: Alright, where you at?

22 LEE: I'm at the house right now. I had to leave.

23 There's too much, too much going on at the office

24 today, I had to step away.

25

1 ROBERTSON: Too much going on where?
2 LEE: Huh?
3 ROBERTSON: Too much going on where?
4 LEE: I'm just in a mood, hmm, (UI) in a mood, I
5 just kinda, you know, I just wanta...
6 ROBERTSON: Yeah, you just kinda get (UI). (UJ) too
7 much, too much...
8 LEE: I just gotta get away, I just have to get away,
9 just, I wish I had a tick...
10 ROBERTSON: Too much, too, too much movement going (UI),
11 ...I'm saying?
12 LEE: Yeah, there's too much, too much. There's too
13 much, all of everything (UI)...When they're rushing me too
14 fast, it's easy for me to step back.
15 ROBERTSON: Yeah, yeah, I got you.
16 LEE: (UI). Then, then I, you know, I was coming out
17 of the parking lot, and I went to go pick up my
18 truck...
19 ROBERTSON: Yeah, yeah.
20 LEE: They charged (UI), it's just, just when I have to
21 pay
22 out, just, everybody paying, either this big pay out. It,
23 it bothers me. And I don't get nothing in return for
24 it, that gets me.

25

1 ROBERTSON: Are you, (laughing)?
2 LEE: That gets me, you know...
3 ROBERTSON: (UI) So, you had to write the check?
4 (Laughing)
5 LEE: Naw, I, I, I'd pay cash. Just payin' out you know
6 like (UI)...
7 ROBERTSON: For what?
8 LEE: I go pick up my truck...
9 ROBERTSON: Yeah.
10 LEE: It's still shaking, you know. I'm like, hell,
11 I just paid 'em \$1300, then I gotta bring it back next
12 Friday, 'cause we gotta work on it next Friday.
13 ROBERTSON: Yeah.
14 LEE: (UI), in fact, I'm, I said I run into JIBREEL (UI).
15 Did you talk to (UI)...
16 ROBERTSON: Did you say JIBREEL?
17 LEE: Yeah, you know.
18 ROBERTSON: I hadn't talked to him today, or
19 yesterday.
20 LEE: I saw him downstairs, I saw him downstairs at
21 Southside.
22 ROBERTSON: Oh, did you?
23 LEE: Yeah. He's ahh...
24 ROBERTSON: He hot at you?
25

1 LEE: I don't know, (UI), I mean, I don't know man, I
2 just, I'm damned if I do, damned if I don't. I'm not
3 gonna live with that.
4 ROBERTSON: Yeah, yeah.
5 LEE: You know, I do the best I can do, and try (UI),
6 you know, try to do what I can do. (UI), you
7 know...mad at me, then I can't, I can't, you know, I'm
8 gonna call 'em and tell 'em (UI). I have nothing
9 against you.
10 ROBERTSON: Mm-hmmm.
11 LEE: In any way, form or fashion. You know, you
12 still my boy, I'm going to be cordial, nice to you.
13 If you wanta be upset, and mad with me, for what, I
14 don't care. That's, I mean. You wanta be a man, and
15 come talk to me about it or whatever, cool. But, I
16 can't read your mind.
17 ROBERTSON: Yeah, yeah.
18 LEE: And, and your disposition is, you know,
19 ...I need some, I need some space...(UI)....
20 ROBERTSON: Yeah.
21 LEE: (UI). But, you know, you walk by and say, "Hey,
22 what's happening?" Hey. You know (UI)...alright.
23 LAUGHING
24 ROBERTSON: Yeah.
25

1 LEE: I did....

2 ROBERTSON: Okay, you actually saw him?

3 LEE: Oh yeah, we parked right in front of each other.

4 ROBERTSON: Uh-huh.

5 LEE: And I'm with Kim. 'Cause Kim took me to get

6 my truck.

7 ROBERTSON: Oh, okay.

8 LEE: ...and Kim's car is parked, parked right behind this

9 (UI),

10 he's talking to BLACK.

11 ROBERTSON: So, BLACK was with him?

12 LEE: Yeah, no, no, he was leaned over BLACK's car,

13 so I (UI).

14 So, um, he was talking to BLACK, I was getting in

15 the car, so finally BLACK came out and I said, what's

16 up, BLACK, how you doing? So, he walked past the car

17 and I said, "What's up, man?"

18 ROBERTSON: Yeah.

19 LEE: ...said, "Hey," and got in his car.

20 ROBERTSON: Oh, he, he, he just said, what's up, and kept

21 on going?

22 LEE: I was getting, he was talking to BLACK.

23 ROBERTSON: Yeah.

24 LEE: And ahh, so, while he was talking, I mean, I

25

1 didn't, I didn't
2 say anything, 'cause they were like 2 or 3 rows away.
3 ROBERTSON: Mm-hmm.
4 LEE: And then when I was about to get in the car,
5 BLACK (UI) I said, "What's up, man? How you doing?" You
6 know? And then he was just walking right...
7 ROBERTSON: Well, he walked right past you, like
8 y'all ain't boys.
9 LEE: Yeah, I looked at him...
10 ROBERTSON: LAUGHING
11 LEE: I said, "What's up, man? " He looked at me and said,
12 "Hey,
13 what's up, bro?" I was like, okay. (UI).....You know
14 (UI), (UI)
15 ..let's roll. (UI)..I said, "Let's roll."
16 ROBERTSON: (UI).
17 LEE: I don't know. Well I guess I'm damned if I do, and
18 damned
19 if I don't ... really, I'm not (UI)....
20 ROBERTSON: You know that.
21 LEE: I ain't sweating it. You know, I ain't gonna
22 put myself on the line. I'll (UI), you know, I just,
23 you know? Everybody wants, you know, everybody want
24 to talk about me, call me (UI). Yeah, that's the nigger.
25

1 He's the bitch, you know, and everybody be havin' a bitchy
2 attitude.
3 ROBERTSON: Mm-hmmm.
4 LEE: You know, so. Then, you know, so, I got a
5 piece of that as I left and went up to the Range Rover
6 dealership, they charging me, you know? Then the guy,
7 I bought some flaps to put on. He's gonna charge me \$45
8 for the
9 flaps. I said, "Man, I don't want...hell, keep the flaps."
10 ROBERTSON: (UI)
11 LEE: I don't even want 'em. He was gonna charge
12 me \$96 for the flaps, and \$45 to put 'em on.
13 ROBERTSON: Yeah.
14 LEE: I just took, I (UI) tore 'em off, I said I
15 don't even want 'em (UI). I (UI), I ain't gonna (UI)
16 ROBERTSON: (UI) that boy. (UI) ...Nigger,
17 I used to have to go there every month.
18 LEE: Huh?
19 ROBERTSON: I used to have, to have to go there every
20 month.
21 LEE: Oh.
22 ROBERTSON: My, my little, my little Range Rover tuck I
23 had.
24 I don't think you seen it, I had a black one.
25

1 LEE: Yeah, (UI) that black one you had.
2 Both talking at once
3 ROBERTSON: Yeah, yeah, I took it up, man. T, J was
4 treated though, but I was...
5 LEE: But, but the thing, but the thing about it, but
6 the thing about my truck, I mean, I never had any
7 major prob, all of my stuff has just been, I can avoid
8 this stuff and just....
9 ROBERTSON: Yeah.
10 LEE: ...dog it, go on about my business. But you
11 know, you know, business relies on transportation,
12 reliable transportation. My truck has never stopped
13 on me.
14 ROBERTSON: Yeah.
15 LEE: It has never stalled on me, you know, ain't
16 nothing. I ain't never really had no major problems
17 out of it, ever. This stuff has just been maintenance
18 stuff, you know? And go pull up the hood, \$90.
19 ROBERTSON: Oh, yeah, yeah.
20 LEE: Light come on, you know, I mean, I take it.
21 ROBERTSON: (UI)...
22 LEE: I don't even, I don't take it to nobody. I just
23 take it over there, you know. They, light come on.
24 ROBERTSON: It'd be cool if they'd give you a car.
25

1 LEE: Yeah, I mean, they give me cars when I go up
2 there.
3 ROBERTSON: Do they?
4 LEE: They're nice to me. Yeah. They're real nice
5 to me. But still, like my...
6 ROBERTSON: (UI) your car.
7 LEE: Nah, it's the labor. So they give me, they,
8 they, they give me a car.
9 ROBERTSON: (UI). Oh, okay.
10 LEE: But you know, like, like when my light came on,
11 I (UI) it's gonna be \$90 just to find out what the
12 problem is.
13 ROBERTSON: Diagnostic.
14 LEE: Yeah, just to find out what the problem. So,
15 when they do it, I, I'm like, you know, hey man, fix
16 it, you know?
17 ROBERTSON: Yeah.
18 LEE: You know? Or the brakes, or something. I'll say,
19 "Man, just put
20 brakes on all of 'em."
21 ROBERTSON: Yeah.
22 LEE: You know, 'cause I don't want no problem.
23 ROBERTSON: Yeah.
24 LEE: But, that's how my, my, my thing is I, I do
25

1 preventive maintenance stuff so. So, I don't...

2 ROBERTSON: Yeah.

3 LEE: ...have any problems, you know, so when I get

4 ready to sell it, you know, I have maintenance records

5 on it, you know. I don't take it no other place but

6 there to get it fixed, and so, you know, they got all

7 the history on it.

8 ROBERTSON: Mm-hmmm.

9 LEE: So, that's my re-, my rationale behind it. But

10 it's still, you know, when I go there, and then you

11 pay the money, and you still ain't riding the way you

12 know it should be riding, you know, that bothers me. But I

13 think when (UI) dollars, 'cause I got some oil leaks,

14 that's

15 coming up whatever. Anyway I don't wanta talk about

16 that.

17 ROBERTSON: Yeah.

18 LEE: I don't wanta talk about that.

19 ROBERTSON: Well, say man, I'll see you later on.

20 LEE: You call me, 'cause I, what, what my plan is, I

21 was gonna (UI) finance, like, just put some money down on,

22 you

23 know, like put 10 down on it, and just, you know, (UI),

24 but ahh, and maybe you can find me a deal like that.

25

1 ROBERTSON: For 10 down, yeah, 50%?
2 LEE: Yeah.
3 ROBERTSON: Yeah, that'll work.
4 LEE: I really don't want no payments. I just, we
5 just wanta pay it all off, but I just don't wanta be,
6 you know? I don't want TOSKA to have to pay anything.
7 ROBERTSON: Yeah, yeah.
8 LEE: And I don't want no problem, you know. I don't
9 want, you know, thing get bad, I can't pay it and all
10 that stuff, and I don't want to have to go through that.
11 ROBERTSON: Yeah, so I, what I do, is ahh,...
12 LEE: I mean (stuttering) we, we could hook up later
13 on, (UI) tomorrow, 'cause I was gonna get a cashier's
14 check. I mean, all I have is cash right now.
15 ROBERTSON: Oh, okay. Okay. That'll work then. And
16 I'll go throw it on there. What it is, how I got it
17 now, interest is going on there everyday...
18 LEE: Uh-huh.
19 ROBERTSON: But it ain't, it ain't ridiculous. It,
20 it's just normal, like, you know what I'm saying?
21 It's maybe about, ahh, I would say, it's probably about \$10
22 a day. You know?
23 LEE: I'm, I mean, I just, my whole thing was just a,
24
25

1 you know, I can't pay it off right now, but I just. I
2 don't
3 wanta do that right now, 'cause then I'll be just like I'm
4 in the BMW.
5 ROBERTSON: Yeah, I know what you're saying.
6 LEE: I'm 15 (UI)...
7 ROBERTSON: But you could get half, you can get half
8 of that, though. You know you can pay the 10, I may
9 can finance the other half, abb with, with, with this
10 finance company.
11 LEE: Well, I wish I could...
12 ROBERTSON: You have, you have...
13 LEE: ...yeah, but the other deal...
14 ROBERTSON: ...I mean, you could do that, you could
15 do that with the BMW now, he told me. So, I mean you
16 still...
17 LEE: No, but that's (UI)..he's got some ridiculous
18 rates...
19 ROBERTSON: Okay, well yeah, you're gonna have that.
20 I mean, you know.
21 LEE: You're trying, you (UI) want me to put a (UI),
22 I, want me to put a extra \$1,000 to give him.
23 ROBERTSON: Yeah. No, I don't think he, nah, he just
24 wants 500, D.
25

1 LEE: Nah, it was \$1,000. That's what he, that
2 SHEILA told me. He wanted to give \$1,000 for the
3 deal.
4 ROBERTSON: Nah, the deal just cost 500.
5 LEE: I mean, they got, I've already put 7500, gonna
6 put another 1,000 with it for the (UI).
7 ROBERTSON: Yeah, it 'sposed to be ahh, it 'sposed to
8 be \$5.00, man. That's what it 'sposed to be. He
9 already tell, you know, he tell me that's what it is,
10 \$500 for the deal. You know, so. But I don't, I know
11 the reason, I know the interest rate is crazy. You
12 know? But you know to beat that up, you just, you
13 know, drop a G a month. Drop 5, drop about a G a month,
14 you'll be through with it. You'll be out of there
15 about the 7th month, I figure. (Cleared throat)
16 ROBERTSON: But ahh... Yeah, man, and I'll get with
17 you man, tomorrow man, and I do that, put, put that on
18 it. I'm gonna take, and take it, take that, take that
19 right to them.
20 LEE: Alright.
21 ROBERTSON: Like I said, I got 30 days, ahh, so we'll
22 do that, man. You didn't go last night?
23 LEE: Man, I got up there, there was (UI) parking
24 all up and down, all up...
25

1 ROBERTSON: Yeah, you let the crowds run you off,
2 man.
3 LEE: (UI) I got, I went there, I had to go down the
4 Moncrief Parkway...
5 ROBERTSON: Uh-huh.
6 LEE: ...then loop around...
7 ROBERTSON: (UI)
8 LEE: ...the line was all the way down, then, then,
9 then I said, I'm gonna park on the street.
10 LEE: Then, I end up park...
11 ROBERTSON: Ahh, you by yourself?
12 LEE: Yeah. Then, I was in
13 TOSKA's car, and then I tried to back up on the
14 street, and got stuck up on the ahh...
15 ROBERTSON: Deal.
16 LEE: ...up on the, ahh, curb.
17 ROBERTSON: Yeah.
18 LEE: I'm like, aww, hell. Half of my car's in the
19 street. Other, up on the deal.
20 ROBERTSON: (UI)
21 LEE: But man, I just, I just, I just...
22 ROBERTSON: You can't do that.
23 LEE: I just hit the accelerator, whoooooom, and it
24 NOISE..., I left. I said, I'm out of here.
25

1 ROBERTSON: Yeah.

2 LEE: Crazy. Niggers was walking all out of the woods.

3 ROBERTSON: Man, I'm (UI).

4 LEE: I'm like, "I'll get the tapes," they get the, you

5 know?

6 It's the same experience, you know. They try to get the

7 same

8 experience...

9 ROBERTSON: Well, alright, man.

10 LEE: Alright, man. Peace. Bye.

11 ROBERTSON: Later.

12 END OF TAPE
